学慧賢會2005 WAY IN NETWORK 13TH ANNIVERSARY CHARITY BALL

president's message

I would like to thank you first for acknowledging and encouraging Way In Network.

In all events over the years, apart from the support of families and friends, committee members of Way In Network have worked indistinctly, contributing their time and their money. The achievement of Way In Network today is clearly a result of their hard work. I would like to take this opportunity to express my deepest gratitude to them.

During the 2003 SARS epidemic, Way In Network raised more than HKD\$200,000 through members, friends and associates for the 'We Care Education Fund'. We also sent more than 2800 koala souvenir pens to sars department of the nine major hospitals in Hong Kong to show our concern and support.

On 26th December 2004, the Tsunami disaster in South Asia shook the world. Way In Network, in conjunction with Golden Century Group and the Thai Australian Association, organised a charity vegetarian luncheon within one week and raised A\$100,000. Although an insignificant contribution comparing to the large scale of the damage, the concern and care we felt were momentous. I would like to once again thank all who had supported the function.

Today we celebrate the 13th anniversary of the Way In Network. At the same time, we are raising funds for two worthwhile organisations - Barnardos Australia and the Chinese Parents Association- Children with Disabilities.

Barnardos has a history of 122 years and works with more than 8000 underprivileged young children and youths in Australia.

The Chinese Parents Association- Children with Disabilities consists of a group of parents who work under minimal resources towards caring for children and people with disabilities. Their love and sacrifice are noted and are applauded by us.

'To give is better than to receive'. I urge you to donate generously to our two beneficiary organisations tonight.

Thank you and good health to all of you.

會長的話

首先要感謝社會人仕對慧賢會的認同和鼓勵。十三年來,每次的大小活動,都得到各委員,會員,家屬和朋友的鼎力支持,慧賢會能有今天,都是她們共同努力的成果,在此本人表示衷心感謝。

記得2003年,香港爆發一場非典型肺炎大災難。慧賢會第一時間響應,發起籌慕捐款活動,獲得會員及各界人仕支持,籌得港幣二十萬元。善款除全數捐贈香港社會福利處成立 "護幼教育基金",另外寄出2800多件樹熊公仔及筆,作為一個心意禮物,向香港九大醫院SARS部門的醫護人員,送上澳洲華人對他們的關懷和鼓勵及遙遠的祝福。

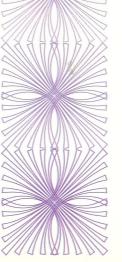

2004年12月26日,南亞地區發生一場百年罕見的海嘯浩劫,災難之大人所共知,全世界掀起了人類歷史上最大的捐款運動,慧賢會亦為善不甘後人,在短短一星期內,聯合金唐集團,泰國澳洲商會,舉辦了一個300多人的慈善齋宴,共籌得10萬元交給宣明會。 滄海一粟,物質的幫助雖然有限,但體現 "天災無情,人間有情"卻是無限!

今日是慧賢會十三週年會慶,我們所籌得的善款是捐贈給二個慈善機構 BARNARDOS 和華裔弱智及傷殘子女家長會。

人人都知道兒童青少年將是社會的棟樑,但是有很多問題家庭,如父母吸毒,家庭暴力,受侵犯的子女,年青一代得不到及時輔導,就會誤入歧途,犯罪年齡愈來愈年輕化,這都是一個嚴重的社會問題。通過BARNARDOS的社會工作,扶持正氣,減少青少年犯罪,造福人群,實在是值得支持的福利機構。

另外一個是華裔弱智及傷殘子女家長會,是一群志願人仕及家長,在沒有固定的經濟支持下,照顧一百多個弱智及傷殘子女,她們日以繼夜不持勞苦,互相扶持,互相幫助,付出無限愛心,她們的行為,值得敬佩,請給予支持和鼓勵。"施比受更有福"希望大家慷慨解囊,行善養福,福有悠歸。多謝大家,祝各位身体健康!

MESSAGE: WAY IN NETWORK CHARITY BALL

It gives me great pleasure to provide a message in support of the Way In Network Charity Ball, which is raising funds for Barnados Australia.

Since starting in Australia in 1921, Barnardos has provided important support for at risk and disadvantaged children, to help ensure they are provided with caring and safe environments in which they can reach their full potential. Through its children's family centres, permanency programmes for out-of-home care and adolescent services, Barnardos has worked tirelessly to help prevent and reverse the effects of abuse, neglect and homelessness on children and young people. Barnardos also performs an important advocacy and education role, in which it raises community awareness about issues faced by children and youth and encourages community involvement in building stronger relationships between children, young people, their families and the community.

Barnardos Australia could not carry out its valuable work without the generosity of the people who contribute financially and in-kind to its work. Carers and volunteers are the backbone of many Barnardos programmes, and I would like to take this opportunity to commend them for their important work. I encourage everyone here tonight to give generously to help ensure Barnardos Australia continues to provide its vital support for children and young people.

I would also like to commend the organisers of the Ball for what I am sure will be an enjoyable and memorable occasion.

Jahn Haward

(John Howard)

I congratulate the Way In Network upon the anniversary of 13 years of successful community building, fund raising and charity work. It is an organisation established and fostered by the generosity, kindness and hard work of women from the Chinese-Australian community.

I offer my sincere thanks to the members of the Way In Network for the great assistance it has provided to disadvantaged people with its own members' efforts, and through Australian and overseas charities.

I understand the money raised from this year's Way In Network Ball will be donated to Barnardos Australia, a charity dedicated to caring for children and supporting families in crisis. I hope the evening will be one of enjoyment and reflection on how fortunate we are to be able to extend ourselves to provide and care for others in this way. I am pleased to support this worthy cause and the wonderful Australians who facilitate it.

Philip Ruddock

Premier of New South Wales Australia

Message of Support to the Way In Network for the Thirteenth Anniversary
Ball – 19 March 2005

I am delighted to lend my support to the thirteenth anniversary of the Way In Network. Congratulations on thirteen years!

The Network shows the remarkable strength that women have drawn from one another through a shared life experience such as migration to Australia to create a new life. The Network provides a unique opportunity to women who have migrated from Asia to develop friendships and support each other, and give something back to their new community.

It is inspiring to see a community group thrive from small beginnings to establish a strong presence in Sydney, particularly within the Chinese community. New South Wales is fortunate to have a Chinese community so actively engaged in voluntary and philanthropic activities.

The valuable contribution that the Network has made to our society was formally recognised three years ago by a Premier's Community Service Award. The Network's efforts recently produced a generous donation of over one hundred-thousand dollars to World Vision for the tsunami disaster relief.

The funds raised by the Anniversary Ball will go to Barnardos Australia. The Ball is a time to celebrate the achievements of the Way In Network and thank the women who are part of the Network for their involvement. I wish you all an enjoyable evening and continued success during the next year.

Yours sincerely

MESSAGE FOR THE WAY IN NETWORK

It is a pleasure to extend my warmest wishes to the Way In Network on the occasion of its annual Charity Ball.

Since its formation more than a decade ago, the Network has raised hundreds of thousands of dollars and donated to numerous charities including The Leukaemia Foundation of NSW, The Red Cross, The Australian Paralympic Federation, The Salvation Army and the Tsunami Appeal.

I am aware all monies raised from tonight's event will go to Barnados Australia, an organisation that performs remarkable feats in helping prevent and treat the effects of abuse, neglect and homelessness on children and young people. I urge all attendees to dig deep for this worthy cause.

Without a doubt, tonight's Ball is a celebration of the commitment and dedication of the Network for which each and every one of you are to be commended.

I wish the Way In Network continued success in the year ahead. Such a milestone would not be possible without the support and dedication of its members.

Yours sincerely

JOHN BROGDEN MP

Message of Congratulations

I am delighted to convey my congratulations and best wishes to the Way In Network on the occasion of its 13^{th} Anniversary Charity Ball.

It was my privilege to have initiated the establishment of the Network in 1992, to support the newly arrived migrant women in the Chinese community during their settlement in Australia. Since then, the Network has gone far beyond support and networking among members.

Since its inception, the Network has always been actively involved in the community, like hosting the annual vegetarian lunches for the elderly and assisting in functions organized by other organizations.

Most notably, the Network has been tirelessly raising needed funds for different charities and various community projects, too many to numerate here. The most recent function is its fundraising luncheon early in January for the Asian tsunami disaster relief. It raised \$100,000.00 which was channeled through World Vision Australia to help the victims. Fantastic effort!

Their work in the community and their effort in fundraising is highly commendable. The President, Mrs. Linda Wong and all members of the Network should be congratulated for their dedication and commitment to help those less fortunate than themselves. It is fitting that in 2002, the NSW government presented the Network a Community Service Award, which "highlights the recognition of the mainstream society to the work and effort of the members of the network."

The Way In Network Charity Ball on 19 March at the Westin Sydney, in aid of children's services - Barnardos – will no doubt be another success.

Wishing everyone a great time at the Charity Ball.

The Hon. Helen Sham-Ho Honorary President

On behalf of the Hong Kong Economic & Trade Office, it gives me great pleasure to extend my congratulations to the Way In Network on the 13th anniversary of its establishment.

Formed in 1992, the Way In Network has over the years become a respected and integral part of the Australian Chinese community in New South Wales. It provides not only support for women migrants during their settlement in Australia, but also participates actively in many charitable and community activities, raising in the process much needed funds for the less fortunate, not only within Australia, but also overseas. Beneficiaries included the victims of bush fires in New South Wales, SARS in Hong Kong and the recent Tsunami disaster in South Asia. The generosity of spirit, concern and support that members of the Way In Network have displayed time and time again is to be highly commended.

I take this opportunity to wish the Way In Network all the very best in its future endeavours. I have no doubt that, under the capable leadership of Linda Wong and her band of committed members, the Network's 13th Anniversary Charity Ball will be a resounding success.

Every 2.5 minutes there is a new report of child neglect or abuse in Australia. All children deserve the right to grow up in a safe and loving environment so they may realise their true potential in life. Barnardos is one of Australia's leading childrens charities and they are committed to offering a better life to those children, young people and families who have suffered abuse, neglect, poverty or homelessness. Barnardos have been caring for severely disadvantaged children of over 120 years and last year alone they helped almost 8,000 young people. Thank you for supporting Barnardos and reaching out to a child in need.
