MESSAGE FROM PRESIDENT

WAY IN NETWORK
25th ANNIVERSARY CHARITY BALL 2017

It is with great pleasure, as the Way In Network President of 2015 – 2017 to welcome you all to the Way In Network's 25th Anniversary Charity Ball.

Since its establishment in 1992, Way In Network Incorporated (Way In) has been a local migrant women's charity association established with the objective of assisting new migrants settle into the local community. Over the past 25 years; Way In has evolved with the strong leadership of past presidents and is now a well-recognised charity association throughout Australia.

Being a member of Way In for the past 22 years, it has been my honour to be a part and witness the growth of this wonderful association of successful migrant women. With the strength of a unified Way In Sister and Way In support group; Way In has successfully raised over \$3 million in funds for various beneficiaries ranging from natural disaster relief, educational scholarships, medical equipment and services for local and international communities.

As we celebrate the success of Way In for the past 25 years tonight; we also celebrate International Women's Day. As part of our tradition of serving our community, Way In hope to use this occasion to raise vital funding for the Australian Gynaecological Cancer Foundation (AGCF) and the Way In Emergency Relief Fund.

Tonight, I am also very pleased to confirm that AGCF have collaborated with Way In, to establish a new, valuable research fellowship in 2017 called the "AGCF & Way In Network Women's Cancer Research Fellowship" to support a research project giving support to all types of clinical and laboratory based women's cancer research.

This is our first significant step towards making a difference in our fight against women's cancers in the future. We hope that with your support and generous donations tonight; together we can create more life changing opportunities for future generations and save the lives of many women in the future.

May I also take this opportunity to thank our Major sponsors; B1 Group and Shum's Watches & Jewellery, Major Auction prize sponsors; Longines, OSIM Australia, Radio 2GB, Mr Alan Jones AO, Zilver Restaurant-Bondi Junction, and those who have made direct donations to our beneficiaries this evening. Without your generosity and support, tonight's event would not have been possible.

Thank you all once again and may we continue working together to build a brighter future.

Elsa Shum
President of Way In Network

MESSAGE FROM FOUNDER, HONORARY PRESIDENT

WAY IN NETWORK
25th ANNIVERSARY CHARITY BALL 2017

I am absolutely delighted to convey my very best wishes to Way-In Network (WIN) on the occasion of its 25th anniversary Gala Charity Ball and the celebration of International Women's Day.

It is my great pleasure to extend my congratulations to WIN for reaching its 25 anniversary. The Charity Ball provides a tremendous opportunity for its members, friends and community charity associates to come together to mark WIN's long history and many friendships.

The occasion is also a celebration of International Women's Day. I would like to congratulate WIN to have established a first ever post doctorate scholarship with the Australian Gynaecological Cancer Foundation to research in gynaecological cancers. It is estimated 1743 women died from gynaecological cancers in 2016. This accounts for 8.6% of all female deaths from cancer. There is a lack of research in this area because of lack of sustainable research funding. WIN has come to the rescue. Well done WIN!

WIN has a proud record of contributions to the Chinese and broader Australian communities through social activities and charity work. It has been recognised by the various awards, too many to numerate here, presented to them through the years by governments and different community organisations. The WIN sisters well deserve these acknowledgements.

I have an immense pride to be its founder and a continuous participant and supporter of WIN. I would like to convey my tribute to the tireless charity efforts of the WIN sisters, particularly to the past presidents and the current leadership of President Elsa Shum. I hope WIN's good work continues in the future.

Once again, my congratulations and my best wishes in the Year of the Rooster!

Have a wonderful 25th anniversary celebration.

Founder, Honorary President
Hon. Dr. Helen Sham-Ho OAM JP

PRIME MINISTER

MESSAGE FROM THE PRIME MINISTER

WAY IN CHARITY BALL 2017

Over the past few centuries, millions of people have migrated to Australia from every corner of the world.

Though the experience of making a home in a new country can be difficult, many soon discover how rewarding it can be to live in a country so welcoming and full of possibilities.

For 25 years, the Way In Network has helped to ease this transition, supporting women migrants to find a sense of belonging in Australian society.

The work of Way In is about connecting with peers and new friends, and offering hope and encouragement. It is about supporting causes that unite women across different backgrounds – in short, it is about strengthening our community.

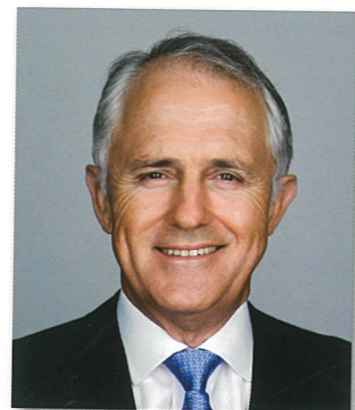

These aims strongly support the International Women's Day agenda of encouraging and celebrating the social, economic, cultural and political achievements of women.

Thank all those who have worked so hard to make the Way In Network a success over the last 25 years, and congratulations to everyone receiving an award tonight.

I wish you all a wonderful evening.

The Hon Malcolm Turnbull MP
Prime Minister of Australia

WAY IN NETWORK – 25TH ANNIVERSARY BALL

On behalf of the Federal Parliamentary Labor Party, I extend my congratulations to the Way in Network on their 25th Anniversary.

Since 1992 the Way in Network has assisted and supported migrant women in NSW integrate into Australian society. There is no doubt that you have been more than an association to the numerous families and women you have assisted over the years.

You have been the voice for thousands of migrants, representing their rights, needs and interests.

Recently your work has extended to supporting Indigenous youth programs, raising money for children's hospitals and disaster recovery appeals, not just in Australia but abroad as well.

Celebrations such as these remind me of how much Australia has gained, and grown, from our embrace of multiculturalism.

The Australian Labor Party has always recognised the extraordinary contribution that migrants make to our country. I firmly believe that migration has transformed Australia into an incredibly vibrant and prosperous country.

I look forward to seeing your work continue for many more years.

Once again, you have my congratulations and well wishes for the future.

Yours sincerely

Bill Shorten

THE WAY IN NETWORK

The Way In Network has been a proud Ambassador of the Australian Gynaecological Cancer Foundation (AGCF) since its inception in 2014. I acknowledge the hard work of the Chair, Mrs Diane Langmack OAM and her Board members.

Way In President Mrs Elsa Shum and her hard working executive of dynamic ladies continue the tradition of many hard working Chinese Australian women before them who believe in giving back to the nation and the communities who welcomed them so warmly as proud Australian citizens.

I acknowledge the Hon Helen Sham Ho as Founding President and Immediate Past President Mrs Annie Tang, along with so many other women who have worked on previous committees over the 25 years.

In Australia, one in 8 women can expect to be diagnosed with life threatening women's cancer in their lives. Sadly one new womens cancer is diagnosed every 2 hours. Every 5 hours a woman so affected will die.

Currently there are about 5000 womens cancers diagnosed each year in Australia and by 2020, it is estimated that there will be 6000 cases each year.

Research saves lives and limits suffering. AGCF is unique in being a national organisation giving funding support to all types of research into curing women's cancers.

Last month AGCF and Way In Network proudly announced that they joined forces to create a new, valuable research fellowship for this year, 2017.

A research grant that will inject badly needed funds into women's cancer research. For all women and the men who cherish them, this is wonderful news.

Congratulations on your 25th Anniversary Ball and I look forward to joining you on a future occasion.

WAY IN NETWORK 25TH ANNIVERSARY CHARITY BALL

I am delighted to send my best wishes to all members and guests of the Way In Network as you celebrate your 25th Anniversary Charity Ball.

For twenty five years, your organisation has helped support and assist migrant women in what can be one of the most daunting tasks; moving and starting up a new life in another country.

It is fitting that this important event is also being held on International Women's Day as we celebrate the social, economic, cultural and political achievements of women.

The Way In Network's members and supporters can and should be proud of your achievements over the last twenty five years. Having raised over three million dollars to assist causes from bush fire appeals, children's medical services and research through to international assistance such as China Vision and the Haiti Earthquake Appeal.

Your organisation is proof that our great State's most precious resource is its people. We are truly fortunate to have women such as yourselves who have come from all corners of the Asian region to call New South Wales home and to make such an outstanding contribution to our multicultural community.

I note that as part of this evenings celebrations you are raising funds for the Australian Gynaecological Cancer Foundation, I can hardly think of a more appropriate and deserving cause upon this important day.

On behalf of New South Wales Labor, I wish you all every success and may we see the Way In Network continue to grow and prosper for decades to come.

Yours sincerely

Luke Foley MP
