6th November 2023

Way In Network
C/- Lions Club of Sydney Waratah
PO Box K1122
HAYMARKET NSW 1240

Congratulations on being awarded an Australian Lions Childhood Cancer Research Foundation Silver Award.

Your support of the West Maitland Centennial Lions Club helped to facilitate this Award and will enable our Foundation to continue supporting the very best medical research available in Australia and ultimately achieve our Foundation's goal of giving every child the chance of a healthy life.

Organisations and businesses in Australia together with the Lions Clubs of Australia and Leos, have been associated with childhood cancer research for over three decades and have raised in excess of \$12 million for childhood cancer research in that time.

From today, your organisations name has been recorded on our Roll of Honour as an ambassador of the Australia Lions Childhood Cancer Research Foundation.

Together, let's achieve our vision of 100% survival for kids with cancer.

Ron Skeen
